## Newsletter-Autumn2019

### *A Message from the Head*

Dear Parents/Carers

We welcome you to this first term of the school year and to Filton Avenue Nursery School Community.

You will find lots of exciting information in our newsletter-New Parents meeting, launch of Easy Peasy and 80 years Celebrations.

We will share with you how to best support your child here. We always warmly welcome you at the beginning of every session.

We also consider it VERY IMPORTANT that your child arrives on time. The morning is: 8.45-9.00 arrival and the afternoon is 12.30-12.45 arrival. Children love to feel a part of their group and can feel less confident if things are already under way. If this is proving difficult

please discuss with your key person.

Likewise, if your child is unable to attend please phone the office, who will let the Key person know.

Please do read the leaflet 'How to Help your Child Learn'. We are always happy to discuss any of these aspects with you. We ask ALL Parent's /Carers to park respecting our neighbours.

**THERE IS NO PARKING OR WAITING IN THE SCHOOL CAR PARK. PLEASE KEEP ALL CHILDREN SAFE.**

### Together Tuesdays

We are introducing a regular opportunity for you to come in and 'join in play' with your child. Dates are on the fridge dates card! You are welcome to come in for part or all of your Child's session and see what they are learning, read stories, explore the outside and have fun! Please speak to your child's key person for further details.

### New Parents Meeting

Our new Parent's evening is on Tuesday 1st October from 4pm -5pm

We apologise for the confusion as it was a different time on fridge dates that went out earlier.

## Acorns, Beech & Willow

Can we please remind you to send your child in with a coat, hat and gloves as the weather will be getting colder. We do access the outside area daily so you may also want to have a pair of wellies on your child's peg for splashing in puddles!

We will be launching our book loan soon so you and your child can choose books to read at home and change them regularly in the classroom. If you want to sign up to be a regular reading volunteer there will be a list out at the Open Evening or please speak to your key person. Thank you.

### Reminders

Please remember a piece of fruit to share daily with your child's group. Due to allergy, please do not bring any kiwi, mango or pear into school.

Please bring in a family photo or email to the main office [filtonavenuen@bristol-schools.uk](mailto:filtonavenuen@bristol-schools.uk) for projects in the rooms.

We are celebrating!

80  
Years

1939-2019

This year Filton Avenue Nursery School is celebrating 80 years of providing quality education, inspiration and support for families. We are looking for anyone who was a pupil from 1939-1949 to join us to celebrate.

We would also like photos from that era of school life. If you or a member of your family can help please contact the office before Friday 4th October on 0117 377 2680

## Teaching & Learning

Look out for our **Confident Communicators Course and Speech and Language Drop-ins...** coming soon. Top tips to help your child with their speech and language. Speak to your key person for further details.

Our Special Educational Needs co-ordinator (SENco) Sarah Woodfield is always happy to discuss any worries you may have about your child's development, speech, language or behavioural issues. We work with lots of outside agencies who can help you and your child to access the right help at the earliest possible opportunity. Just catch me on the door or around the centre!

Dress up day to nursery  
Friday 15th November
