

# FREE FRUIT TREES

Bristol One Tree per Child have 2000 free fruit trees for Bristol school children to take home and plant.

Would you be interesting in receiving one?

Your apple, pear or plum tree will grow to a final approximate height of 3m with a spread of 4m (10 x 12ft) and **should fruit within 2-3 years.**

Please plant in the ground where there is space for their final size.

## How it works?

1. We need you to register your interest so please ask your parent/guardian to complete the form on the back of this flyer.\*
2. You can plant the tree in your garden OR plant it in your family/friends/neighbour's garden, with their permission
3. Please confirm that you have a suitable place to plant the tree and it will be planted within a few days of receiving it.
4. Each tree will be delivered to your child's school after the February half term.
5. The trees will be about 1m (3ft) and come in a compostable bag so that you can carry it home.
6. Instructions will be provided on how to plant and care for your tree and a short tree-stake and tree tie. When you receive the tree, it will then be your responsibility to care for the tree.

*\* Whilst we hope all who register will receive a free tree, supplies may be limited due to demand*
